Capabilities Statement

Top Benefits of Working With Us:

- Experienced prime contractor trusted by the federal government to repeatedly perform large, five-year contracts with leadership and riskmanagement responsibility.
- 96% rating from Dun & Bradstreet's Open Ratings Past Performance Evaluation based on survey feedback from 17 verified client referenzces.
- Award-winning work. Several of our websites and applications for both government and commercial organizations have won innovation and usability awards
- Top-notch staff. We accept fewer than one in five hundred applicants, and all are subject to multiple interviews, detailed evaluations of their work samples, and technical skills testing using online pre-employment assessments.
- Highly attentive to project and contract communications. Many companies will wait days to reply to your emails. Viderity staff typically replies within three hours to all communications.
- Direct access. Clients get consistent, personal access to Viderity's senior management and our CEO. This is a fabulous benefit to working with a small business.
- Client access to our enterprise program management system on www.mavenlink.com, a team discussion tool and a task assignment, estimation, and tracking tool.
